### **Extreme Makeover: Church Edition- pt 4 Don't be Ignorant**

For the Week of January 29<sup>th</sup>, 2012

#### **Review**

1. What challenges did you take from this weeks message?
2. Why do you think the utilizing of gifts is so often undervalued or taught in the Church as a whole?

#### **Digging Deeper**

1. Read Romans 12:3-8. What is the purpose of our gifts?
2. The analogy of the body is often used in scripture as it is used here. If a part of the body(perhaps you??) is not acting according to its function, what is the potential result?

3. Why do you think humility is such a central responsibility to the exercising of our gifts in the Church?

4. In what ways are you using your gifts currently? If you are not, what can you do about it?

5. Read Ephesians 4:1-14. Why would consistently and faithfully using the gifts we have been given in the service of God's people serve as a protection from being "tossed about"?

6. How does the use of our gifts practically lead us towards deeper maturity?

7. Who are examples in your life of people using their gifts well? What practical tools can you glean from their examples that you can start applying to yourself?
